2nd May 2018

Dear Parent/Carer

KS2 SATS

We are very proud of the effort being made by our Year 6 pupils as they prepare for their SATs papers and we would like to thank you for the support you are giving your child.

As you know SATs week begins on Monday 14th May. We have included a timetable below for your information. To enable the children to come into school and feel relaxed we will be running a KS2 SATs breakfast club from 8.25am during SATs week. The children will be able to come into school and enjoy toast/cereal with a glass of juice in the Year 6 classroom if they wish. If your child would prefer NOT to have breakfast can you please ensure that they are still in school for 8.40am at the very latest. School is open from 7.45am.

| MONDAY | TUESDAY | WEDNESDAY | THURSDAY |
|---------------|--------------------------|--------------------------------|---------------|
| Reading Paper | Grammar & Spelling Tests | Mental Maths and Maths Paper A | Maths Paper B |

The tests will be taken each morning during the first lesson so it is important that the children arrive in school on time. Please ensure that your child gets lots of rest and sleep during this week to help them be the best they can be. We have posted a video on our twitter page and website with more information about Year 6 SATs but if you have any questions please ask myself or Miss Cerowski.

Please reassure your child that, whilst we want them to do their absolute best in the SATs, and show us just how much they have learned at primary school; we know that SATs are not a measure of how special each of them are. SATs test Maths and English, they do not test how creative, musical, artistic or technological your child is. They do not test how kind, compassionate or empathic they are. We know just how many talents your children have, and so many of them have truly 'shone' this year. Keep on shining Year 6 and showing us how wonderful you can be!

Yours sincerely

Mrs K Clark-Davies
